A ceremony of sharing and remembrance

Saying goodbye is never easy. It helps to bring family and friends together to celebrate and remember. Ceremony gives you a chance to reflect on the meaning of your loved one’s life and how they touched the lives of others.
Tell the story. Remember the life.

Create a ceremony as unique as the life you’re remembering.
Share what made them special

You can celebrate meaningful aspects of your loved one’s life on the casket and throughout the ceremony.

Personalization choices help tell the story

Artfully crafted LifeStories medallions and LifeSymbols designs add a special touch, visually expressing meaningful relationships, spirituality, affiliations, and interests. Select from a variety of choices to create your tribute.

Personalization can be as simple or as detailed as you like.

Honoring special relationships and interests ...
